During the year of 1987, the police department encountered an increased number of motor vehicle related complaints. We had 35 Auto complaints in 1986 compared with 50 in 1987. This seems to be the main problem facing the Town at this point in time. In an attempt to combat this increasing problem, the amount of patrol time was increased from 64.5 hours in 1986 to 102.5 hours in 1987. Mileage traveled on our vehicles increased accordingly also from 5,524 in 1986 to 8,164 in 1987. These patrols were conducted at various times and sometimes in different vehicles in an attempt to avoid setting a pattern that people could predict.

The criminal type complaints are remaining relatively stable with no major increases in any one area. However, we are still receiving calls about incidents days after they happen making them very difficult to investigate. Please call when you see something out of place. If you do not wish to identify yourself, you do not have to give your name.

When placing a call for police assistance, please follow the following procedure. This will insure police response as soon as possible:

1. **DIAL 352-1100.** This is Mutual Aid Dispatch Center. These people dispatch for all of the smaller towns in the county.

2. If you are reporting an emergency situation. STAY CALM. Be sure to answer all questions that are asked of you and also offer any information that you feel may be helpful. Give EXACT LOCATIONS or DETAILED INSTRUCTIONS on how to get to the problem. Bear in mind that there are no house numbers and people responding to assist you will be guided by your instructions only. Members of the Roxbury Police Dept. may know you but the New Hampshire State Police may not.

3. Do not ask for a specific member of the Police Dept., if you have a problem. In doing so will delay response to your call. The police department is a part time department and the person you ask for may be unavailable. The dispatcher will get the message to the officer you asked for eventually but you may not be contacted for some time. If you report the incident, they will attempt to page someone from Roxbury PD. If they are unable to make contact with one of us, they will relay the call to the New Hampshire State Police. Bear in mind however, that the State Police cover the entire county and they handle calls on a priority basis.

As of March 31, 1988, I will be stepping down as the Chief of Police in the Town of Roxbury as I have taken on more responsibilities as the full time Chief of Police in Marlborough, New Hampshire. During my 9 years as Chief of Police, I have attempted to improve the quality of police service available to the Townspeople while retaining the "Small New Hampshire Town" atmosphere. In April of 1987, the Town encountered an emergency situation when Otter Brook Dam filled to capacity and began to discharge water over the emergency spillway. The Townspeople really showed the "Small New Hampshire Town" spirit by helping each other deal with the possible problems that could have developed. The situation ended with very minimal damage in Town but we were ready for the worst.

I want to take this opportunity to thank the Selectmen that I have served under during my years as Chief. They were all very supportive of me and always there to assist me when I needed them, I also want to thank Richard Donohue, the Chief of the Roxbury Fire Department for his help over the years. And I especially want to thank my Deputy Chief, Neal Collier for his support, dedication, and hard work for the past 5 years. He has served the people of the Town and myself faithfully and I could not have run the department with the efficiency that has been obtained without him.

After speaking with the Selectmen and Deputy Chief Collier, my replacement was chosen. Deputy Chief Collier respectfully declined to become the next Chief of Police so Officer Ron Smith, a full time police officer for the City of Keene was appointed. I worked at the Keene Police Dept. for 4 years with Ron before resigning and accepting the position in Marlborough and I am sure that he is a very qualified officer and he will be a very efficient Chief of Police. I will remain a police officer for the Town to assist Ron with the transition.

In closing, I want to thank the Townspeople for their help and support over the past 9 years. With your help, I have built an available, efficient, and

dedicated police department that has the respect of other departments in the area. You can be proud, as I am, of your police department.

Respectfully submitted,  
*Chief Earl D. Nelson*  
Roxbury Police Dept.

**TOWN AUDITOR'S REPORT**

This is to certify that I have examined the books for the Town of Roxbury for the year ending December 31, 1987.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Selectmen and Trustees of Trust Funds. I find that the books and records of the Town reflect its true financial condition as of December 31, 1987 to the best of my knowledge and belief.

I would note that the Revenue Sharing Savings Account was closed out, and its funds transferred to the Revenue Sharing Checking Account.

I would suggest that the Selectmens' Ledger be balanced on a monthly basis by the Selectmen and totaled at the end of the year before being examined by the Auditor.

At this time, I would like to thank all town officials involved during the audit. Everyone was most cooperative.

Respectfully submitted,

*David A. Gregory,*

Town Auditor

Appropriation	Estimated Amount
Tax Map - See Article 16	\$550.
Motion carried.	

**Article 18.** To see if the Town will vote to approve the issuance of a purchase order by the Town of Roxbury, to allow Police Chief Earl D. Nelson to purchase for himself, a Ford LTD Crown Victoria Police Package motor vehicle, provided that the purchase of this motor vehicle by Chief Nelson shall result in no cost to the Town. Motion carried. Chief Nelson explained that while this was approved last year, he was unable to purchase a vehicle and therefore needed approval again this year.

**Article 19.** To transact any other business which may come before the said meeting. Motion carried.

Barbara Neylan, Chairperson of the Planning Board, urged residents to attend the upcoming public hearings so that when items come to a vote people will be informed and understand what they are voting on.

Selectmen apologized to Richard Donohue for omitting his Fire Warden's report in the Town Report. In that report he states that no acres were burned in Roxbury in 1986.

Selectmen told us that next year we will probably need to appropriate funds to reassess properties. We are now at 73% valuation and when we reach 50% it is time to reassess. Any balance left in the Revenue Sharing Fund can be used for this.

Selectmen warned that because of increases in both the school and County budgets our taxes next year could increase by as much as 20% to 30%.

Selectmen extended a thanks on behalf of the Town for the fine job Lawrence Robidoux did in building the access ramp to the Town Hall.

The Moderator read the following article:

"Shall we adopt the provisions of RSA 72:1-C which authorize any town or city to elect not to assess, levy and collect a resident tax?"

Following the reading he asked if we wished to vote on the article. The response was 'Aye'.

The Town would still realize this money only it would be assessed as part of the property tax rate thereby doing away with bookkeeping expenses incurred when levying it as a separate tax. Non-resident property owners would now be contributors. After the discussion the Moderator again read the article for a vote. Motion carried to do away with the collection of the so called Residence Tax.

The last item of discussion as brought up by a resident was an inquiry as to whether a person in town was living permanently in a travel trailer, which would constitute a violation of the Town's rules. The Selectmen responded that this matter has been under investigation with no conclusive evidence of violation as yet and would be further pursued.

Meeting adjourned at 8.10 pm.

Respectfully submitted,

*Marika Stuhlsatz, Town Clerk*
